

20 Leadership Insights to Help You Succeed

1. You are accountable for your success. Believe in yourself and your talents and never give up hope that you can achieve what you set out to do.
2. Self-awareness is the key to becoming a good leader. Knowing and accepting your genuine identity is the first step to becoming a truly great leader.
3. Build and protect your personal brand. Your personal brand is your calling card for new opportunities and growth.
4. Trust in your instincts. Your inner voice will steer you correctly.
5. There can be no progress and no success if you don't take action. A goal without a plan is just a wish; a good idea without action is just a regret.
6. Accept that you will have to take risks in life and get out of your comfort zone – make the difficult choices that are needed and take “calculated” risks.
7. Achieving success ALWAYS requires hard work. There is no escaping it so embrace it and get stuck in as quickly as possible.
8. Personal mantras are like energy boosting vitamins. Create a mantra for yourself and use it to help you when needed.
9. Failure is just opportunity to learn in disguise. Learn how to see the silver lining in failure and don't dwell on the negative.
10. Be resilient. Progress happens one step at a time. Patience brings knowledge. Knowledge brings wisdom. Wisdom brings success.

11. Don't be afraid to carve your own path. Resist the temptation to blindly follow others. Go where nobody has gone before and leave a trail for others to follow.
12. Be open to new experiences, even if you did not plan them. You never know where they will lead you.
13. Progress is not always linear; success is not always monetary.
14. Share your vision as much as possible so the universe can help you succeed.
15. Don't burn yourself out chasing something blindly. Stop along the journey to be present and celebrate the little successes along the way.
16. Pursue lifelong learning. Be a student of life, and a student for life.
17. Try not to lose your inner child. Be curious about the world and everything in it.
18. Passion powers progress and allows your heart to carry your feet.
19. Leadership is about giving to others. You only become a leader once you can accept this sincerely.
20. Leave a legacy in this world for others to enjoy.
